READY TO USE:

Your campaign for your trade fair success!

**Little effort,
little cost,
but great impact –**

here on **pages 3 and 4** are your promotional materials for effective communication relating to every aspect of your successful appearance at VALVE WORLD EXPO 2016. Digital. Print. Varied. Informative. Eye-catching.

Everything prepared for you in ready-to-use form. And with very few exceptions: free of charge!

Order/download immediately

Finally, **page 6** provides a complete overview of all communication media. This is where you can get started – easily and immediately: **links** guide you directly to the **VALVE WORLD EXPO 2016 ServiceCompass** – and from there to the communication media of your choice.

ORDER NOW

How to get your customers to come to VALVE WORLD EXPO 2016

On **page 5** you'll find three examples of how to address your target group accurately and effectively: **purely online, both online and offline, classic print materials.**

This is all you need to provide:

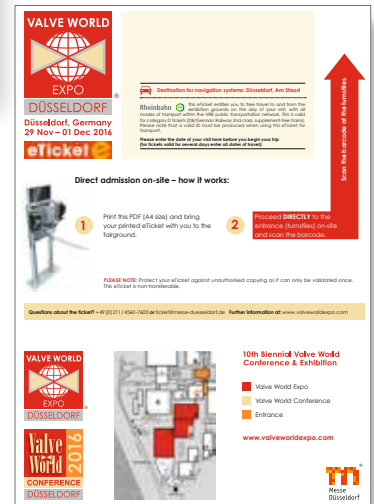

stationery, envelopes and an e-mail account – **and then you can get going!**

DIGITAL COMMUNICATION

Microsite

Your individual service site for your visitors: your logo, your text, your services ranging from online showroom and vouchers to travel advice and trade fair app. **Free of charge!**

INVITATION

HOW TO GET YOUR CUSTOMERS TO COME TO VALVE WORLD EXPO 2016

All free of charge except admission voucher!

Online visitor invitation

Invite your business partners and customers to VALVE WORLD EXPO quickly and simply with just a few clicks. The online visitor invitation is simple and saves you a lot of time and trouble.

Visitors information

Free of charge!

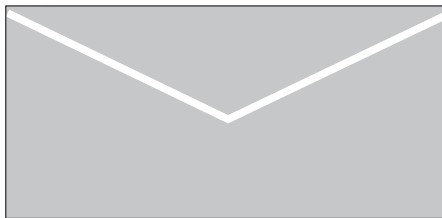

Stickers

Free of charge!

Mini-guide – city map

Free of charge!

Admission vouchers

Ideally your visitors register using the voucher code on your microsite and then obtain their personalised eTickets, which grant your customers admission to the exhibition site. Of course, they can also redeem the voucher at the trade fair entrance.

ORDER NOW

YOUR TARGET GROUP

Advantages

- Send invitations to partners and customers with very little effort.
- Attach vouchers for admission tickets directly.

Go ahead and try it!

In either case, you pay only when the visitor has checked in at the fair.
